

Soi Soon Services

Our comprehensive transitions-care program [6-months to 1 year]

Includes:

- In-depth analysis of transitions-care at your school
- Step-by-step guidance during the creation of a transitions-care team
- Quarterly goals, broken down into monthly and weekly objectives
- Access to the most recent research literature on the topic
- Monthly check-ins and personalised feedback from our consultants
- Workshops throughout the year including what are TCKs, intercultural teaching, transition stages and the emotional calendar, reverse culture shock etc..

At the end of the program, we will draw up, together with the newly-formed transitions-care team, a **school-wide transitions-care policy**.

Our workshop packages

These packages may be combined with each other.

Start of year package for teachers

Start the school year on the right foot

- Start of year workshop for teachers on intercultural teaching
